

Instruction manual

Retro roller model 891

Imported by Van der Meulen.
www.retroroller.eu

PLEASE NOTE! Assembly must be done by an adult.
Keep out of reach of young children because of the small parts.

IMPORTANT:

1. For the child's safety, all assembly steps must be carried out properly. Incorrect assembly could cause injury.
2. Lubricate moving parts regularly or after long-term use.
3. Ensure that all nuts and bolts have been tightened before use. Check nuts and bolts regularly and tighten where necessary.
4. Components showing signs of wear should be replaced immediately.
5. The child should never be left unattended when riding in the vehicle.
